10:15:40 From Dina Polkinghorne : We need cell phones for isolated staff to work remotely. Cell phone plans allowable past July 31?

10:16:33 From Dina Polkinghorne : gift cards have to be dispersed by July 31?

10:17:37 From Griffin Hatlestad : Are there any requirements for our Hazard Incentive Policies?

10:18:24 From Griffin Hatlestad : Yes please, thank you! I will look at the web page

10:18:55 From Aimee Stubblefield : I'm confused about the timeframe that the money needs to be expended. How can we claim expenses in January, when the pandemic shutdown didn't really get going until march?

10:19:45 From Jacquie Marroquin : Covid-related information on our website can be found here: <https://www.cpedv.org/post/information-about-coronavirus-covid-19-and-prevention>

10:20:36 From Jordan Dancer : Please clarify, again, about previous C19 related expenses (before today). Thank you.

10:20:48 From Marta : So Tribal governments are not eligible for funding correct?

10:21:13 From Jacquie Marroquin : Marta: We are confirming with Cal OES

10:21:36 From Jordan Dancer : I sat in on the CALCASA webinar, and she stated that gifts cards could be purchased by 07/31/20, but did not need to be disbursed by then. Please clarify.

10:21:54 From Dina Polkinghorne : The pandemic is not going to be eradicated by July 31, so I guess what I'm really asking is can we purchase covid related items by July 31 that we won't use by July 31?

10:25:12 From Christina Schiffner : If we lost revenue due to a major fundraising event being canceled, can we use these funds to pay for the operating expenses that that event would have paid for? They are not specifically COVID-19 expenses, but are not being paid because of COVID-19.

10:25:18 From Janice Oshiro : If laptops are used by direct service staff who are funded on other funds, such as our existing CalOES VOCA funds, can we still use this VOCA grant to pay for their laptops?

10:26:00 From Jordan Dancer : Please check, also, if we're providing rental, utility assistance, and the dates supported are after 07/31/20 - if that is okay to use funds for if they are expensed by 07/31/20, e.g. August rent. Thanks.

10:26:14 From Donna Beavers : Is \$75K the limit for each grant if applying to both CalCASA and Partnership. Or is it \$75 total over both CalCASA and the Partnership programs.

10:26:26 From Tatiana Dorman : so to confirm - the purchase of new laptops for staff will be covered

10:27:06 From Aimee Stubblefield : I'm sorry if I spaced out, did you answer Christina's question about cancellation of fundraising events?

10:28:02 From Michelle Weger : Can you tell us what will be required in a final report?

10:29:48 From Jacquie Marroquin : Tatiana: yes, so long as you can make the connection to Covid-19 response.

10:31:32 From Julia Alexander : So there will be a total of 5 reports for this funding?

10:32:15 From Julia Alexander : Appreciated! Thank you!

10:32:24 From Dina Polkinghorne : Much appreciated on that!

10:32:40 From Aimee Stubblefield : will you share the excel report for VOC?

10:32:47 From Jordan Dancer : The Victims of Crime reporting - I assume that is due no matter which pool of funds we're awarded from?

10:33:41 From Jacquie Marroquin : Funding application information is on our website:
<https://www.cpedv.org/covid-19-emergency-funding>

10:33:46 From Naomi Tucker : is the payment billing based (per purchase/invoice) or disbursed as one grant?

10:34:08 From Patricia Steele : If your budget is \$200,000, how much or what % should we ask for?

10:36:11 From Jordan Dancer : is funding to all three agencies include VOCA funds?

10:38:03 From Aimee Stubblefield : We received a PPP loan/grant which runs out in June, we know that we will need help for July. Is it ok to ask for money for future needs?

10:38:06 From Janice Oshiro : We received instructions from CalOES that victim services reported on the OVC PMT between all federal and nonfederal sources have to be allocated. If we are using these funds to support the additional costs for existing victim services, and all staff time for victim services is funded on current VOCA funds, how do we report victim services just for these funds?

10:38:32 From Vanessa Hofmann : For reimbursement grants, agencies are to spend any advancements within the first 10 days or it is considered cash on hand. Is this being waved if we ask for an advance? Speci

10:38:41 From Patricia Steele : What phone#'s can we call with questions?

10:38:44 From Cordelia Leoncio : Acknowledging that it is far more work than sharing the slides, would you please publish these chat questions along with their answers from both today's and tomorrow's sessions?

10:39:10 From Jacquie Marroquin : If you have questions about the application, contact melanie@cpedv.org.

10:39:41 From Celia Marquez : Who do we call or email for questions?

10:40:10 From Yucheng Hu : Just wanted to clarify that housing financial assistance for clients leaving emergency shelter or transitional housing is allowable?

10:40:13 From Celina Alveraz : If we don't know if how much (if any) we will get from Calcasa, do you recommend we apply for the full 75K?

10:40:22 From Christina Schiffner : Can you spell Melanie's name?

10:40:39 From Melanie Choy : Melanie Choy, melanie@cpedv.org
